

It's a *WILD SCI-FI SUMMER* for Students Kindergarten thru 8th Grade

CARDEN ARBOR VIEW SCHOOL is the place to be this summer for a *WILD SCIENCE-FICTION SUMMER* themed program which is sure to engage learners of all ages!

- **Kindergarten**- A self-contained program from 9:00 a.m.-3:00 p.m.. Throughout the day, Math, Pre-Reading, and Reading programs, will be incorporated into the theme for the week.
- **Academic Academy** -Students in 1st through the 8th grades will boost their Math, Language Arts, and computer skills. Mornings will be spent rotating between subjects in grade level groups.
 - **Special Feature course for students in Grades 7th - 9th: Euclid's Elements.** Focusing on different areas of Geometry and Algebra. Euclid's propositions provide an invaluable basis for students planning to take Geometry.
- **Extended Day**- Offered from 6:30 a.m. to 9:00 a.m. and 3:00 p.m. to 6:00 p.m. A less structured and supportive environment, which enables children to build friendships while playing, creating, or just relaxing.

Summer Program 2010

(12:00 - 1:00 p.m.)</p> <p>Payment to: Carden Arbor View School 1530 N. San Antonio Ave. Upland, CA 91786 909-982-9919</p> <p>Payment due on or before the 1st day of attendance</p> 	1. 6/14- 6/18 9-3:00 p.m.	Blast Off - Come along as we explore the planets and the outer limits of our galaxy.	Science Camp - 9-3:00 p.m. Just how many exciting experiments can you pack into one week? Join the fun as we investigate solar power, magnetism, light and more!
	2. 6/21-6/25 9-3:00 p.m.	Blast Off - (Continued from week 1) Come along as we explore the planets and the outer limits of our galaxy.	Two Bad Ants to Zathura - 9-3:00 p.m. Travel through the jungles of <i>Jumanji</i> to the historic landmarks of <i>Ben's Dream</i> as we explore the fantasy world of author Chris Van Allsburg. We will identify the difference between 'real' and 'fantasy.'
	3. 6/28-7/2 1-3:00 p.m.	* Academic Academy - 9-12:00 Where the Wild Things Are - Little "wild things" will enjoy stories, poems, cooking and painting as we enter the world of pretend and make-believe. (Continued through Week 4)	* Academic Academy - 9-12:00 Includes <i>Euclid's Elements</i> for grades 7-9 Greek Mythology - Mythical creatures of Ancient Greece will come to life through paper maché, color, paint, and sculpture as we share our favorite myths.
	4. 7/5-7/9 1-3:00 p.m.	* Academic Academy - 9-12:00 Where the Wild Things Are - (Continued from week 3) Little "wild things" will enjoy stories, poems, cooking and painting as we enter the world of pretend and make-believe.	* Academic Academy - 9-12:00 Includes <i>Euclid's Elements</i> for grades 7-9 Medieval Mythology - 1-3:00 p.m.- Explore stories from medieval times and then create craft projects of the mythical creatures; we will paint, paper mache, color, and even sculpt.
	5. 7/12-7/16 1-3:00 p.m.	* Academic Academy - 9-12:00 The Moon, the Stars, and the Sun Let's take a look at the sky above us. What can we observe? We will explore the moon and sun through different activities and learn about the big and little dipper! (Continued through Week 6)	* Academic Academy - 9-12:00 Space Theatre - Star in your own out-of-this-world drama, or take on a behind-the-scenes role creating costumes and props. This two-week session will conclude with an on stage performance. (Continued through Week 6 with performance on 7/23)
	6. 7/19-7/23 1-3:00 p.m.	* Academic Academy - 9-12:00 The Moon, the Stars, and the Sun (Continued from week 5) Learn all about the sky above through storybooks, cooking and crafts.	* Academic Academy - 9-12:00 Space Theatre - (Continues from Week 5 with performance on 7/23) Star in your own out-of-this-world drama, or take on a behind-the-scenes role creating costumes and props. This two-week session will conclude with an on stage performance.
	7. 7/26-7/30 1-3:00 p.m.	* Academic Academy - 9-12:00 Aliens and Monster Puppets - Students will use their imaginations to create their own SCI-FI creature and story line for their puppet theatre production. (Continued through Week 8)	* Academic Academy - 9-12:00 Includes <i>Euclid's Elements</i> for grades 7-9 Tour the Galaxy - 5-4-3-2-1-BLAST OFF! Hold on tight as we blast our way through the galaxy. Visit the planets, create a solar system book, engage in crafts and cooking from each of the planets where we stop. There will be experiments and day trips. Join in as we explore our universe!
	8. 8/2-8/6 1-3:00 p.m.	* Academic Academy - 9-12:00 Aliens and Monster Puppets - (Continued from week 7) Students will use their imaginations to create their own SCI-FI creature and story line for their puppet theatre production.	* Academic Academy - 9-12:00 Includes <i>Euclid's Elements</i> for grades 7-9 Tour the Galaxy - 5-4-3-2-1-BLAST OFF! Hold on tight as we blast our way through the galaxy. Visit the planets, create a solar system book, engage in crafts and cooking. There will be experiments and day trips. Join in as we explore our universe!
	9. 8/9-8/13 9-3:00 p.m.	Goopy Science - Experience how fun Science can be as you experiment with goopy, slimy stuff.	Science Camp - Just how many exciting experiments can you pack into one week? Join the fun as we investigate solar power, magnetism, light and more!
	10. 8/16-8/20 9-3:00 p.m.	In Our Community - Day trips, around our own community, to learn about our local treasures: Museums, parks and Art Galleries. (Some via the Internet)	Become a Space Architect - Blending math, geometry, and drafting skills, students will design a realistic space station capable of housing a galaxy explorer.
