Dear 6<sup>th</sup> Grade Student,

Over the summer you will have two requirements to complete for your 6<sup>th</sup> grade World History class.

### Part 1 -

- Read *The Egypt Game* by Zilpha Keatly Snyder, a Newbury Award recipient.
  - One theme of World History is culture and social behavior of a civilization. While reading the book, pay attention to the ancient Egyptian cultural details included in the Egypt game the kids play.
  - You can find this book through multiple online sources such as Amazon and Barnes and Noble.
  - There will be classwork assignments to complete upon returning to school.
  - Bring your book to our first class.

**The first time Melanie Ross meets April Hall, she's not sure they'll have anything in common. But she soon discovers that they both love anything to do with ancient Egypt. When they stumble upon a deserted storage yard behind the A-Z Antiques and Curio Shop, Melanie and April decide it's the perfect spot for the Egypt Game. Before long there are six Egyptians instead of two. After school and on weekends they all meet to wear costumes, hold ceremonies, and work on their secret code.**

**Everyone thinks it's just a game, until strange things begin happening to the players. Has the Egypt Game gone too far?
