

June 1, 2020

Dear 7th Grade Students,

The assigned 2020 Summer reading for rising 7th grade English Language Arts (ELA) students is *A Wrinkle in Time* by Madeleine L'Engle. This book takes you on the journey of the heroine's self-discovery. Like Meg Murry in L'Engle's book, your knowledge of yourself and your world continue to expand and grow. As a result, you are probably finding that you are making more individual decisions that have greater impact on you and your world. Choices you make take you on a journey and every decision has its rewards and consequences. These events aid in developing your character that is highly valued at Carden where we celebrate your self-discovery and individuality!

Please plan your summer ELA literature assignment so that you are successful in completing the reading and activities at your leisure. The procedure for completing your summer reading is:

1. Purchase *A Wrinkle in Time* at Barnes and Noble or other online sources such as Amazon.
2. You will find your own copy of the *A Wrinkle in Time* Digital Notebook in our Google Classroom that I have shared with you.
3. You will receive an email inviting you into our 7th grade ELA Google Classroom, but you can also follow STEP 4 to access our class.
4. Go to Google, locate and click on the 9 dots, select Classroom, type in the class code
5. You should now be in Google Classroom for 7th ELA 2020-2021
6. Go to Classwork, READING, 2020 Summer Reading Assignment.
7. Your completed digital notebook is due by August 24th.

Have a great summer! Please contact me at ssprague@cardenarborview.org with any questions or concerns.

Sincerely,
Mrs. Shelley Sprague
7th Grade English Language Art
