Further, each participant hereby waives the provisions of civil code section 1542 which states the following: "A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."

Certain prize winners may be required to sign a written agreement confirming the above-described release and a waiver as a condition to receiving such prize(s).
