

GIVE

# OPPORTUNITIES

As we look forward to a future equipped with the tools and facilities that will continue the long tradition of excellence in learning we're so proud of here at CARDEN ARBOR VIEW SCHOOL, we ask for your participation and kindness, on any level, to help us reach our goal to build the STEAM Center. Below you will find an opportunity that fits your level of participation. You may also contact the Advancement Office directly if you have any questions about giving opportunities.

## THE STEAM CENTER - Naming Opportunity

**\$300,000**

- The STEAM Center, more than 2,100 square feet of enhanced technology and learning space.
- A modern, flexible and innovative student center for science, technology, engineering, arts and math.
- Space includes open plan with retractable room divider to separate building into two learning centers, Technology Lab and Art Center
- Leave a legacy that provides the best student experience in honor of our school's history.

## TECHNOLOGY LAB - Naming Opportunity

**\$100,000**

- An innovative learning environment featuring space for teaching and using new technology
- Modern, open space for computer labs, science and robotics engineering projects
- Leave a legacy that provides an exceptional technology learning experience and stimulates critical thinking.

## ART CENTER - Naming Opportunity

**\$100,000**

- Room to collaborate, create an art study space to learn and exhibit student's creative talents
- Open, light space to enhance creativity in a comfortable environment
- Leave a legacy that nurtures creative minds.

## ARBOR ASSEMBLY AREA "COUGAR PLAZA"

**\$50,000**

- A new assembly area on the Southside of the campus Space for student assemblies, arts and entertainment, music performance.
- Leave a legacy to support the development of the whole child through arts, entertainment, public speaking, music and creativity.

## GREEN & GOLD SOCIAL CENTER COURTYARD

**\$50,000**

- Remodeled courtyard southside of the STEAM Center
- Space facilitates a place for social gathering for students, teachers and community
- Combination of concrete steps and walls, benches for the courtyard and umbrellas
- Leave a legacy that promotes building friendships, sharing ideas and community growth

## ARBOR ASSEMBLY LEGACY PILLARS

**\$25,000**

- Pillars will support the framework of the Arbor Assembly area
- Each pillar will have a recognition frame or plaque honoring those participating in the assembly area support
- Leave a legacy that supports the framework of the arts, performances and assemblies at our school.

## LEADERSHIP GIVING WALL

**\$10,000**

- Leave a legacy by supporting the build campaign leadership giving wall.
- A wall art collage of cogs and gears will enhance the outside of the STEAM Center.
- Recognition of being one of the first families to give to the STEAM Center build campaign.
